

## AARON MOSES

Creative Director

---

### Professional Experience

Aaron is an award-winning, multi-disciplinary designer with more than 15 years experience in advertising, marketing, branding, and creative copywriting. His work has been honored by the American Institute of Graphic Artists on numerous occasions, and has also been featured in several industry publications including American Corporate Identity and LogoLounge.

Aaron has provided strategic input and creative leadership on multiple Medicare Open and Special Enrollment Period campaigns for notable national healthcare organizations, which have resulted in above-average growth for our client partners.

Aaron has been a trusted partner working with clients from regional to national in scope, including HCA Far West, Iora Health. Aaron's work has appeared in multiple issues of LogoLounge, and American Corporate Identity.
